Bubbles

Target Phrases

Blow bubbles, Pop bubbles, More bubbles

How to Play

To play, say “bubbles” or “more bubbles” before each turn. Adjust the target phrase to fit the language level of your child.

Prompt Ideas

- Parent: What do you want?
- Child: More bubbles (gives child bubbles)

Or

- Parent: What are you going to do?
- Child: Blow bubbles (blows bubbles)

Or

- Parent: Let's pop bubbles while we say "pop bubbles" (blows bubbles)
- Child: Pop bubbles (popping bubbles)

Bounce the Ball

Target Sentences/Phrases

Bounce the Ball, Throw it back, Ball in bucket

How to Play

Find any ball and bounce it. Say one of the sentences above and encourage your child to repeat it before taking a turn. Some ideas for play include bouncing a ball up and down, bouncing a ball to each other, or putting bouncing balls in a bucket.

Example Script

- Parent: Let's bounce a ball to each other
- Child: Okay
- Parent: Bounce ball (bounces ball to child)
- Parent: Your turn to bounce ball back. Say "bounce ball" as you bounce
- Child: Dounce dall
- Parent: Remember, lips together for "bounce ball."
- Child: Bounce ball (bounces ball to parent)
- Etc...

Table Time

Target Phrases

Put ____ on table, Knock off table

How to Play

Put anything on a table and then knock the toys off the table. Just make sure your child says “table” every time he/she puts an object on the table and/or knocks them off.

Example Script of Sentences

- Parent: Cow on table (puts a cow on table)
- Child: Horse on table.
- Parent: Opps, I didn't hear /b/. Try again with our lips together, “table (parent models word)
- Child: Table
- Parent: Great job! My turn. Cat on table.
- Parent: Okay, let's knock them off table!
- Child: Off table (knocks toys off table)
- Etc...

Spider Web

Target Phrase

____ stuck in web

How to Play

Either draw a spider web or make one out of string. Next, find objects to put in the “web.” To make it more fun, find some silly things to go in the “web.” Make sure you say “web” as your toys get stuck in the web!

Example Script of Sentences

- Parent: Circle stuck in web
- Child: Square stuck in web
- Parent: Triangle stuck in web
- etc...
