

Name: _____

Date: _____

Color Practice: Blocks

Needed Materials

Any type of building blocks

How To Play

Sit down with your child and get out his/her favorite building blocks. Start playing together and then pick an idea from the list below. Naturally weave color practice into play.

Ideas to Try

- Categorize blocks by color.
- Name a color and then help your child find all the blocks that contain that color.
- Name the color of a block before adding it to a tower.
- Make color "towers."

Language Skills Targeted

- Colors
- Categorization
- Vocabulary
