

Name: _____

Date: _____

Color Practice: Books

Needed Materials

Your child's favorite book

How To Play

Books are very handy when practicing colors since pictures in books have so many colors. While reading a book with your child, focus on one or two colors. Tell your child what colors to be on the lookout for, and then, take turns finding objects that match the color.

Language Skills Targeted

- Colors
- Categorization
- Vocabulary
- Following Directions

Tip

- Don't try to do all the colors at once. This may be too confusing.
