Forgot The Jam

Julie just got back from the grocery store. She brought a bags full of vegetables, oranges, fudge, chicken, juice, and bread into the kitchen. She took off her jacket and washed the vegetables and oranges in the sink. Next, she put the chicken, bread, juice, and fudge in the refrigerator.

After organizing the house, Julie was ready to cook dinner. She took the chicken, bread, juice, and fudge out of the fridge. She prepared her vegetable and chicken dish and put it in the oven. Next, she peeled the oranges and prepared a salad.

As Julie started to slice the bread, she realized she forgot to buy jam. On no! She had to go back to the store, but the chicken and vegetable dish was already cooking! She called her brother Jack and asked if he could bring over some jam for the bread. He said "yes." Phew!
