

Name: _____

Date: _____

Regular Past Tense Verbs Drill Practice

Needed Materials

Regular Past Tense Cards (located on the next page)

How To Use Cards

1. Print the cards or pull them up on some sort of device (computer, tablet, iPad, etc...)
2. First, name a few cards and have your child watch and listen to show him or her what type of response you are interested in. For example, point to a card and say “he kicked” or “yesterday, he kicked.”
3. After completing 1-2 cards, ask your child to repeat your responses for 2-3 more cards.
4. Once, your child has learned the pattern, encourage him or her to describe a card without your verbal model...aka...all by him or herself!
