Regular Past Tense Verbs

House/Farm

Needed Materials

A house, farm, or any toy with little people, animals, or cars

How To Play

Get on the floor or sit at a table with your child. Have a toy perform some sort of action such as kicking a ball or jumping etc... Then, ask your child... “what did (toy) just do?”

Hopefully, your child will answer using the regular past tense verb form. If he or she doesn't get it right, say the correct response and ask him/her to repeat it.

Tips

- To make this game less like a quiz and to model correct grammar for your child, make sure to have your child perform an action with a toy and you narrate the action using the past tense! Encourage your child to repeat you but don't press it!
- Remember that many verbs have irregular past tense verb forms (i.e., past tense of run is ran). Your child is not expected to know irregular past tense verbs. However, it doesn't hurt to expose them to such grammar!
